

Our 8 golden group rules

We always have fun and keep safe

We follow the rules so that we have a great time without getting hurt

We are kind and helpful

We always try to put others first and make them smile

We are gentle and careful

We never hurt others or break or take other people's property

We are respectful and caring

We don't hurt people's feelings and we look out for each other

We keep our hands and feet to ourselves

We never push or kick and don't touch or hug others if they don't like it

We listen and are quiet when we need to be

We hear each other and don't interrupt people when they're talking

We are honest and truthful

We don't tell lies, cover up the truth or blame others for our mistakes

We play fair and we share

We treat everybody the same and share the things we want to
